SUMMARY

Front-End Developer with a strong understanding in E-commerce and CMS-based website design. Proficient in responsive web design, ensuring seamless cross-browser compatibility. Experienced in designing and converting PSD, Photoshop, and Figma files into clean, efficient HTML/CSS. Skilled in landing page design, WordPress templates/themes implementation, and website maintenance. Adept at collaborating with project managers to capture customer requirements and execute deliverables. Passionate about creating interactive design concepts and staying up-to-date with emerging technologies. Eager to contribute to a dynamic development team.
